

■ MEDICAL TRANSCRIPTION CERTIFICATE (MEDT)

Knight Campus, Warwick only

Program offered during daytime only

The Medical Transcription Certificate Program prepares students for employment in the health field. Students are trained in the use of medical terminology, the transcription of various types of medical reports and the handling of medical office duties. Cooperative work experience in a medical office is a requirement of this program. Job opportunities for graduates are projected to remain constant.

Admissions Requirements: *Students applying to the Medical Transcription Certificate Program must be high school graduates (or equivalent) and be able to type at a rate of 25 words per minute or complete the OFTD-1120 course first which extends the time to complete this program.*

Certificate program credits may be applied toward an Administrative Office Technology or General Studies degree.

TIP:
