

**FINANCIAL SERVICES (FNBK)**

ASSOCIATE IN SCIENCE (A.S.) DEGREE IN BUSINESS

**Associate degree programs in the Department of Business Administration are nationally accredited by the Association of Collegiate Business Schools and Programs.**

Students enrolled in the Financial Services concentration develop analytical and critical-thinking skills essential for success in today's financial environments. In addition, students develop their communication, interpersonal, leadership and teamwork skills. The Financial Services concentration prepares students for entry-level positions in the financial services industry, including banking, insurance and investments. Employment opportunities include bank teller, loan officer, insurance sales and customer service representatives. Students also may choose to transfer to four-year institutions to earn bachelor's degrees and should consult colleges for information on transferable courses.

TRANSFER OPTIONS

OPTION 1: Complete the CCRI Business degree program and transfer to one of the four-year colleges with which CCRI has transfer agreements in R.I. and out of state. Course credits transfer differently from college to college. Consult with Advising and Counseling for specifics. Under the RIBGHE articulation transfer policy, students completing a CCRI associate degree in business with a 2.4 GPA are guaranteed admission to Rhode Island College (RIC) or University of Rhode Island (URI). The applicability of courses toward the baccalaureate degree is determined by the receiving institution.

OPTION 2: Participate in the Joint Admissions Agreement (JAA) and take the courses in one of the approved JAA transition plans for transfer into specific business-related majors at RIC or URI. Students who successfully complete JAA requirements are guaranteed transfer of their courses and acceptance for the intended major at RIC or URI. For more information on the benefits of participating in JAA, go to [www.ribghe.org/ritransfers.htm](http://www.ribghe.org/ritransfers.htm) and talk to your CCRI adviser.

**GENERAL EDUCATION REQUIREMENTS**

COURSE NO.	COURSE TITLE	CREDITS
<input type="checkbox"/> ENGL 1010	<b>P</b> Composition I	3
<input type="checkbox"/> MATH*	<b>P</b> 1000 level	3
