

**MANAGEMENT (MNGT)**

ASSOCIATE IN SCIENCE (A.S.) DEGREE IN BUSINESS

**Associate degree programs in the Department of Business Administration are nationally accredited by the Association of Collegiate Business Schools and Programs.**

Students who successfully complete the Management concentration demonstrate a fundamental knowledge of a range of management concepts and approaches. They are also able to successfully apply tools and techniques for management decision-making and can conduct research using a variety of resources, including online databases. In addition, this program assists students in developing communication, interpersonal, leadership and teamwork skills essential in today's business environment.

Management strategy serves as the capstone course for this concentration. The Management concentration prepares students for entry-level positions such as assistant manager or manager in training in various organizational settings. Students may choose to transfer to four-year institutions to earn bachelor's degrees and should consult colleges for information on transferrable courses.

**TRANSFER OPTIONS**

**OPTION 1:** Complete the CCRI Business degree program and transfer to one of the four-year colleges with which CCRI has transfer agreements in RI and out of state. Course credits transfer differently from college to college. Consult with Advising & Counseling for specifics. Under RIBGHE articulation transfer policy, students completing a CCRI associate degree in business with a 2.4 GPA are guaranteed admission to Rhode Island College (RIC) or University of Rhode Island (URI). The applicability of courses toward the baccalaureate degree is determined by the receiving institution.

**OPTION 2:** Participate in the Joint Admissions Agreement (JAA) and take the courses in one of the approved JAA Transition Plans for transfer into specific business-related majors at RIC or URI. Students who successfully complete JAA requirements are guaranteed transfer of their courses and acceptance for the intended major at RIC or URI. For more information on the benefits of participating in JAA, go to [www.ribghe.org/ritransfers.htm](http://www.ribghe.org/ritransfers.htm) and talk to your CCRI advisor.

**GENERAL EDUCATION REQUIREMENTS**

COURSE NO.	COURSE TITLE	CREDITS
<input type="checkbox"/> ENGL 1010 <b>P</b>	Composition I	3
<input type="checkbox"/> MATH* <b>P</b>	1000 level	3
<input type="checkbox"/> MATH* <b>P</b>	1000 level	3
