## Thinking About Doing an Internship?

Find out where students do internships and why they love their internships! View the new CD called *Learning Outside the Classroom* which is available on CCRI's Facebook page and also on the Career Placement/Cooperative Education & Internship web page ([www.ccri.edu/cooped](http://www.ccri.edu/cooped)) under the link, *Hear What Students Have to Say*. This 6-minute video of CCRI students showcases the benefits of doing an internship, why students want to do an internship, and the variety of internships students participate in through the Cooperative Education program.

## Job Locator Directory

CCRI students and alumni can find up-to-date job and internship postings on the Career Placement & Cooperative Education home page at [www.ccri.edu/cooped](http://www.ccri.edu/cooped) and clicking on Job Postings—Students.

**Career Club Luncheon, May 9, 2008:** Cooperative Education II students examine each other's portfolios at the Employer Appreciation and Student Recognition Luncheon in May. Students who complete two semesters of Cooperative Education complete a professional portfolio which documents their internship.
