4 <sup>th</sup> Doubles	<u></u>		<u></u>	<u></u>

Comments: The Knights of CCRI notched their fourth consecutive victory, this time defeating the Clippers of Suffolk County Community College 7-2. Suffolk only had four players available for the match, so they were already giving up 3 points for the match. The match started with singles and CCRI wrapped up the match by securing the four available singles positions relatively easily. The Knights, on the last day of a six-day, 5-match trip, finished the trip putting in some of the players that hadn't yet had a chance to play in the top six singles or top three doubles positions. We battled in first and second doubles, but they fell to the more experienced Clippers players. The Knights next host Harford Community College on April 9 in our first home match in three seasons.
