

■ PHYSICAL THERAPIST ASSISTANT PROGRAM (PHTA)

ASSOCIATE IN APPLIED SCIENCE (A.A.S.) DEGREE

Occupational title: Physical Therapist Assistant

Newport County Campus only

The Physical Therapist Assistant Program is accredited by the Commission on Accreditation of Physical Therapy Education of the American Physical Therapy Association, 1111 North Fairfax Street, Alexandria, VA 22314.

Physical therapist assistants work under the supervision of a physical therapist utilizing prescribed activities to help patients recover physical function lost through disease, injury or other causes, and to relieve pain and promote healing. Licensed physical therapist assistants work in public or private hospitals, clinics, school systems or other health agencies.

The Physical Therapist Assistant Program is a full-time, day program. It consists of a variety of courses that includes physical therapy theory and practice as well as supporting courses from general education.

Students who successfully complete this program are eligible to take the licensure examination for physical therapist assistants.

Technical standards: The physical activity level for the physical therapist assistant is classified as “medium” by the Department of Labor in the Dictionary of Occupational Titles.

P This course has a prerequisite. See Course Descriptions section for class hours, prerequisites and corequisites.

GENERAL POLICIES

See important general policies in beginning of this section on academic progress, advanced standing, background check, CPR certification, health insurance, health records, reinstatement, transportation, uniforms and equipment.

ADMISSIONS REQUIREMENTS
