

LIBERAL ARTS > CONCENTRATIONS

Students may complete the degree program as described previously or may select an area of study in which to concentrate. Concentrations require the study of five three-credit courses (*15 credit hours*) in the selected discipline. Additional required or recommended courses are selected from among the electives offered as part of the Liberal Arts program. These concentrations emphasize coursework typically required in the freshman and sophomore years of bachelor's degree programs.

PSYCHOLOGY (LAPS)

The concentration in Psychology provides students with an opportunity to prepare for advanced study at the bachelor's degree level. In addition, the concentration provides an excellent foundation in behavioral science. Courses typically required in the freshman and sophomore year of bachelor's degree programs in psychology are emphasized.

Required Courses

Students concentrating in Psychology should take 15 of the 16 to 19 required elective credits as follows:

PSYC 2010, 2020, 2030, 2110, 2120
