

■ FINANCIAL SERVICES (FNBK)

ASSOCIATE IN SCIENCE (A.S.) DEGREE IN BUSINESS

Associate Degree Programs of the Department of Business Administration are nationally accredited by the Association of Collegiate Business Schools and Programs.

Students enrolled in the Financial Services concentration develop analytical and critical thinking skills essential for success in today's financial environments. In addition, students develop their communication, interpersonal, leadership and teamwork skills. The Financial Services concentration prepares students for entry-level positions in the financial services industry, including banking, insurance and investments. Employment opportunities include: bank teller, loan officer, insurance sales and customer service representatives. Students may also choose to transfer to four-year institutions to earn bachelor's degrees and should consult colleges for information on transferable courses.

TRANSFER OPTIONS

OPTION 1: Complete the CCRI Business degree program and transfer to one of the four-year colleges with which CCRI has transfer agreements in RI and out of state. Course credits transfer differently from college to college. Consult with Advising & Counseling for specifics. Under RIBGHE articulation transfer policy, students completing a CCRI associate's degree in business with a 2.4 GPA are guaranteed admission to Rhode Island College (RIC) or University of Rhode Island (URI). The applicability of courses toward the baccalaureate degree is determined by the receiving institution.

OPTION 2: Participate in the corresponding Joint Admissions Agreement (JAA) and follow the requirements for a JAA Transition Plan for Business Administration to transfer to RIC or URI. JAA students who complete the courses specified in the corresponding JAA business administration Transition Plan are guaranteed admission to either Rhode Island College (RIC) or University of Rhode Island (URI) if they maintain at least a 2.4 GPA. For more information, log onto <http://www.ribghe.org/JAAtransitionplans.htm> and talk with your CCRI advisor.
