Certificate courses are offered days and evenings, and all courses directly apply toward the Department's A.A. degree.

P This course has a prerequisite. See Course Descriptions section for class hours, prerequisites and corequisites.

SOCIAL SERVICES CERTIFICATE (CSOS)

The certificate in Social Services is for students who may either be already employed or interested in Social Services. It is a brief program (five courses) that introduces the field of social services, and equips students with the necessary skills to enter the field. Students can find employment in governmental social service agencies, the correctional system, nonprofit service agencies and schools. Courses are offered days and evenings, and all courses directly apply toward the department's A.A. degree.
