The Department of Engineering and Technology offers an array of associate degree and certificate programs to provide students with the skills and foundation for careers and advancement in engineering, engineering technology, manufacturing technology, telecommunications and computer networking.

**Programs**

**Associate Degree Programs**
- Computer and Networking Technology
- Electronics Technology
- Engineering Transfer
- Land Surveying Technology
- Mechanical Engineering Technology

**Certificate Programs**
- Computer Assisted Manufacturing
- Computer Desktop Technician
- Networking Technician
- Advanced Networking Technician
- Lean Manufacturing
- Manufacturing Engineering Technology
- Manufacturing Technology
- Mechanical Engineering Technology
- Process Control Technology
