4. Wellness Incentive

Employees participating in the State's medical plan and who meet the wellness criteria established by the State, in consultation with the Union, shall receive a reduction in medical insurance co-share payments up to a maximum of \$500 per year. The earned reductions in medical insurance co-share payments shall be awarded to active employees in FY 2009 or the fiscal year following the employee's participation in the wellness activities.

The Wellness Incentive program will integrate preventative and wellness behaviors into the medical plan. Examples of possible activities include completion of the Health Assessment, obtaining a primary care physician, wellness coaching programs, preventive screenings, non-smoker or completion of smoking cessation program, and/or participation in a program that measures key points in assessing an individual's overall health.

5. Pay Reduction

All employees shall receive a one day pay reduction (equivalent to ten percent (10%) of the bi-weekly total salary rate, excluding overtime) which will be effective for one (1) payroll period during June 2009 as designated by the State.

Employees so affected will be entitled to accrue one (1) additional day of paid leave during that payroll period. This leave will accrue to part-time employees on a pro rated basis.

Employees may request to discharge this additional paid leave during any payroll period following the payroll period in which it was earned and/or elect cash payment for that one day in the fiscal year beginning July 2010 and until June 30, 2012. Any hours not discharged or paid as of June 30, 2012 will be lost.

Balances of accrued vacation, sick and "deferred vacation" leave shall be paid at the pre-reduction rate of pay to employees who terminate or retire from State service during this salary reduction period.

The Director of Administration (or his designee), as one of the State's three members, shall preside over the meetings. This committee shall be formed within thirty days after the signing of this agreement.

The parties agree that all other language issues will be withdrawn, but that the contract can be reopened effective July 1, 2010 to negotiate non-economic language issues unrelated to the terms and conditions agreed to herein.

Nothing shall prevent the parties from voluntarily reaching agreement on other non-economic issues at any time.

Should a court of competent jurisdiction declare this legislation to be unconstitutional in whole or in part, the parties agree that retiree health insurance benefits as provided by law shall remain in effect for the term of this agreement. No provision of the collective bargaining agreement shall provide benefits inconsistent with such law.

Nothing herein shall limit Council 94's right to pursue pending litigation in Case No. PC 08-6196.

10. Notwithstanding any provision in the Collective Bargaining Agreement regarding parity, the Union shall have no claim to parity as to health insurance plan design, dental insurance plan design, prescription drug plan design, co-share charges for health insurance, dental insurance, or vision care insurance, employee walver payment, or wages, based on the terms of the collective bargaining agreements between the State and either the Howard Union of Teachers or the Rhode Island Troopers Association.
