

The CCRI Faculty Association Political Action Committee has been revived. Members of the Faculty Association, who have contributed to the fund, may request money to attend political functions anywhere in Rhode Island. The purpose of your attendance is:

1. Get to know your elected senators, representatives, and state officers.
2. Let them know your opinions.
3. Advocate for higher education/CCRI issues.

As soon as the fund is up and running, i.e., contributions have begun, there will be updates sent to all, relative to event invitations that have been received. Time is of the essence, since we receive invitations weekly.
