DO NOT wait until the last day/night to complete your course or try to qualify for an IC. If things don't go as you planned (i.e. class cancellation because of snow, you don't pass the test, etc.) you will not have another chance to finish or qualify for the IC.

CANCELLED CLASSES CAN BE MADE UP ANY TIME THE LAB IS OPEN DURING THE SESSION.

ALL MATH LAB SITES WILL BE CLOSED UNTIL THE WEEK OF MAY 24, 2010

Students who want to take a test MUST have with them their bookmark, a college picture ID or a driver's license issued by the Registry of Motor Vehicles. Be sure the two hours you are planning to take a test fall within the posted testing-room hours.
