

You are invited to attend an
*Information
Session and Open
House for CCRI's
Opticianry
Program*

from 5 to 7:30 p.m., on
Tuesday, April 19,
in Room 1134 at
the Knight Campus in Warwick.

CCRI's Rehabilitative Health Department's newest program is:

- approved by the Rhode Island Department of Health and meets the requirement for graduates to become licensed in R.I.
- one of the first colleges in the area to offer its program in a distance learning format, giving students the opportunity to train for a new career while maintaining their other work and personal commitments.
- one of only four programs located in New England.

This event offers attendees an opportunity to meet faculty, ask questions of admissions and financial aid officers and receive information from the program director.

**For more information about CCRI's Opticianry Program, visit
