Christine Jenkins

John Panzica

Jacqueline Russell

Special thanks to

Enrollment Services, Information Technology, Marketing and Communications, Physical Plant, Security and all other departments and individuals who contributed their time and talents.

Protocol

Commencement Ceremony Protocol

To show respect for and to honor all our graduates, we ask that our guests remain in their seats throughout the entire ceremony, which is expected to conclude at approximately 8 p.m. Administration and graduates will exit first. Guests will follow after the recessional ends.

Guests will not be allowed on the gymnasium floor during graduation. Security guards will be stationed at each bleacher aisle and next to the stage. They will ask guests to remain seated. Guests may take photographs from their seats; they will not be allowed in the stage area. A professional photographer will be on stage to take photographs of every graduate receiving his/her diploma. Your cooperation is greatly appreciated.

Community College of Rhode Island

Community College of Rhode Island, New England's largest, public, two-year institution of higher education with an enrollment of more than 16,000 students, offers educational opportunities for all Rhode Islanders. Main campuses are located in Lincoln, Newport County, Providence and Warwick.

The college offers an impressive array of academic and technical programs. Academic programs prepare students for transfer into bachelor's degree programs at four-year colleges and universities. Technical career programs equip students with the skills needed to obtain employment in businesses, industries and health care agencies.

The college is fully accredited by the New England Association of Schools and Colleges and grants the Associate in Arts (A.A.), the Associate in Science (A.S.), the Associate in Applied Science (A.A.S.), the Associate in Applied Science in Technical Studies (A.A.S.-T.S.), and the Associate in Fine Arts (A.F.A.) degrees. Diplomas and certificates are also awarded for various shorter-term programs.

The college's Division for Lifelong Learning offers a variety of programs for businesses, industries and government agencies. Customized courses or degree programs meet the training needs of companies and their employees and are offered at the workplace or at college facilities.

CCRI offers a wide variety of non-credit opportunities, including grant-funded pre-vocational training, high school equivalency preparation and a host of self-enrichment courses. The college opens its facilities for public use, sponsors programs on issues of public concern, and offers workshops and seminars for small businesses, for government agencies and for individuals seeking to improve their skills or enhance their lives. In every sense, CCRI is Rhode Island's community college, meeting the educational needs of the people of our state.

Students' graduation status and honors designation – highest honors (3.75 to 4.00), high honors (3.50 to 3.74) and honors (3.25 to 3.49) – are based on records for the semester ending Dec. 31, 2007. Diplomas and honor certificates will be mailed to all graduates approximately six to eight weeks after grades for the spring semester have been certified.

Commencement Awards

Academic achievement is recognized at commencement in the following manner:

- * Honors Designated students have achieved at least a 3.25 grade point average. Their designation is a green cord.
- ** High Honors Designated students have achieved at least a 3.50 grade point average. Their designation is a white cord.
- *** Highest Honors Designated students have achieved at least a 3.75 grade point average. Their designation is a burgundy cord.
- K Kappa Beta Delta..... Kappa Beta Delta is an international honor society for Association of Collegiate Business Schools and Programs accredited business programs. The purposes of this Society are to encourage and recognize scholarship and accomplishment among students of business, management and administration pursuing associate degrees, and to encourage and promote personal and professional improvement and a life distinguished by honorable service to humankind. To be considered for invitation, candidates must have completed 15 semester hours of credit with a minimum of six credit hours completed in business courses. The academic ranking of those considered must place them in the upper 20 percent of their class, with a minimum grade point average of 3.00. Their designation is a gold cord.
- † Phi Theta Kappa Phi Theta Kappa is a national honor society for community and junior colleges throughout the United States. Its intent is to recognize the most outstanding students at two-year institutions. To be initiated into Phi Theta Kappa at the Community College of Rhode Island, a student must have applied for membership, achieved a 3.75 grade point average or above and be of good character. Their designation is a gold tassel and stole.
- Ψ Psi Beta..... Psi Beta is the national honor society in psychology for students at community and junior colleges. The requirements for admission include a 3.00 cumulative average, two courses in psychology (including general psychology) with a “B” or better and participation in volunteer community service or other psychology-related activities. Their designation is blue and cords.
- H Honors Program..... Honors Program graduates must maintain a minimum grade point average of 3.25 and complete at least four honors projects to earn this special recognition.
- S Anticipated Summer Graduates..... These students are slated to complete the requirements of their respective programs of study during the Summer 2009 semester.
