   - SPCH 1100: Oral Communication I.
5. A cumulative grade point average of 2.0 or better for all college courses taken.

All the above requirements must be completed satisfactorily BEFORE an applicant can be offered acceptance. Applicant list standing does not constitute admission into the program. At the time of admission, the student must meet the current admission requirements of the program. Students declining acceptance into the program for the semester offered, must reapply to the program and meet the current admission requirements. Once accepted into the Occupational Therapy Assistant Program, the student must attend a mandatory orientation conducted by the Rehabilitative Health Department.

General Policies following acceptance
After being accepted and prior to beginning the program:

- Students will be required to have a criminal background check by the Bureau of Criminal Investigation (BCI) through the College. In compliance with requirements for clinical agencies, anyone who has been convicted of a felony may be unable to attend clinical/field experience in those agencies. No incident or probation can have occurred in the past 5 years. Further, applicants convicted of a felony will need to comply with state licensure requirements from the Rhode Island Department of Health. For more information, contact specific Department Chairperson.

- Students must have a physical examination and required immunizations completed prior to beginning OCTA 1030: Fundamentals of Treatment II.

- Current CPR card (American Heart Association, Health Care Provider Level) obtained through an American Heart Association recognized Community Training Center (course is available at CCRI, HEAL 0200).

PLEASE NOTE: REQUIREMENTS ARE SUBJECT TO CHANGE.
