MINUTES

1. Roll Call

Meeting commenced at 11:00 AM

2. Approval of minutes of May 1, 2024

Minutes of May 1, 2024, motion made by Mason W, second by Pete B.
Votes for: 2, Votes against: 0, Abstained: 0

3. Review of nomination acceptance

The committee validated those who accepted or declined their nominations, were accurately placed within their divisions and included on the ballot.

One staff person nominated to represent Academic Affairs has transferred to a department in Student Affairs after being nominated. They will be placed on the ballot as a representative of Student Affairs.

The nominee from the President's division declined their nomination. The committee should plan to hold a special election ahead of September to try to fill this vacancy.

One member of the president's council was mistakenly included in the list of nominees, and they accepted. They will not be put forward for election and P Bardsley will identify the mistake with them.

The results of the nomination acceptance process are as follows:

HR	1	1	1
PD	1	1	0
SA	6	18	13
WF	1	2	1

4. Review of content to support election process

The committee reviewed the content for the vote including messaging and mailing lists. In the FT mailing list, Staff members of president's council (except assembly chair) as identified on the website were withheld.

It is noted that two members not thought to actually be members of the president's council, are listed on the website and so they will not be sent a ballot.
