ABOUT CCRI/FACILITIES

ABOUT CCRI

The Community College of Rhode Island opened its doors in 1964 with 325 students in a temporary space on Promenade Street in Providence as Rhode Island Junior College. Today, with four campuses throughout the state, CCRI enrolls an average of more than 14,000 credit students each semester, making it the largest comprehensive community college in New England.

Forty percent of its students identify themselves as part of a minority group, many of whom are the first in their families to attend college. Accredited by the New England Association of Schools and Colleges, CCRI offers more than 100 degree and certificate programs in the arts, business, computer studies, engineering, health sciences, human services, liberal arts, and science departments taught by faculty who are experts in their field.

Each year, Rhode Islanders fill more than 40,000 seats in our professional development, skill enhancement, job retraining, and noncredit personal enrichment courses offered by CCRI's Division of Workforce Partnerships. CCRI students are active participants in campus life and in the community. The college offers a varsity athletic program with sports and a diverse selection of student clubs and organizations, including student government.

Annually, students, faculty and staff volunteer for a variety of Rhode Island non-profit organizations, making life better for those less fortunate. Since its inception, CCRI has graduated more than 68,000 students, with 95 percent of them living and working in Rhode Island. The college is the No. 1 provider of nurses and other health care workers in the state.

Additionally, more than 1,000 CCRI students per year transfer to Rhode Island College and the University of Rhode Island to continue their education. CCRI's tuition is the most affordable in Rhode Island. A full-time student pays approximately half, or less, the cost of tuition and fees charged at any other college in the state.

According to a recent survey given to exiting students, when graduates were asked, "Would you recommend CCRI to a friend or family member?" nearly 99 percent said yes. By preparing students to continue their education or to enter the state's work force, the Community College of Rhode Island provides its students with the opportunity to change their lives and achieve their dreams.

AT A GLANCE

Year founded: 1964

Locations: Warwick, Lincoln, Providence, Newport and Westerly

Enrollment: 14,758

Nickname: Knights

Color: Green

Affiliations: National Junior College Athletic Association (NJCAA) Region XXI

CCRI ATHLETIC FACILITIES

Knight Campus 400 East Ave., Warwick

The CCRI Knight Campus is home to the Vincent A. Cullen Field House with four basketball courts, four tennis courts, three volleyball courts and a fully-equipped weight room. The men's and women's basketball teams play their home games on the center wood court. Athletic Department administration, coaches and staff have offices at this location.

The CCRI baseball team plays its home games at Harold "Whitey" Fell Field, named in honor of the college's former head baseball coach.

The Knight Campus has two additional outdoor fields for team practice and recreational use.

Flanagan Campus 1762 Louisquisset Pike, Lincoln

The CCRI Flanagan Campus has a field house with four basketball courts, four tennis courts, four volleyball courts, a six-lane swimming pool, an indoor track, a modern dance studio and a fully-equipped weight room. The women's volleyball team plays its home matches in the Flanagan Campus Field House. Athletic Department administration, coaches and staff have offices at this location.

The Flanagan Campus has several outdoor fields for team practice and competition as well as recreational use. The cross country team and the men's and women's soccer teams host their home meets and matches at this site.

Additional sites

Some CCRI teams play their home games at nearby off-campus locations. The softball team plays its home games at Winslow Park Field in Warwick and the golf team competes and practices at Cranston Country Club. The coed tennis team and the indoor and outdoor track teams travel to their opponent's site or a neutral site for matches.

For hours of operation of campus athletic facilities and more information, go to www.ccri.edu/athl/facilities.html.

Chris Casalino, Roger Williams

ATHLETICS AT CCRI

AN OVERVIEW OF CCRI ATHLETICS PAST AND PRESENT

The Community College of Rhode Island is home to one of the Ocean State's finest and most successful intercollegiate athletic programs.

Since its inception in 1965, CCRI has long been considered a front-runner in New England community college and junior college athletic circles. The basketball, baseball, tennis, volleyball, cross country, golf, and soccer teams have all been nationally ranked. The 2002 women's soccer team captured the school's first national championship, while a number of other squads, including men's basketball and women's soccer, were national runners-up.

With more than 5,500 victories, 222 All-Americans, 128 Region XXI championships, and 835 All-Region selections, CCRI leads the way among all New England community colleges.

Great coaching has been the key to CCRI's success. From the athletic department's humble beginnings in 1965, the school has always featured legendary coaches. With Hall of Fame Athletic Director and men's basketball coach Vin Cullen; baseball coaches Ken Hopkins, Whitey Fell, and Art Pontarelli; tennis coach Ray Carr; and volleyball coach Gail Davis, the tradition of great coaches and top-flight teaching has extended through the years and continues to this day.

The college is also a member of the National Junior College Athletic Association and an associate member of the National Collegiate Athletic Association. CCRI fields intercollegiate men's teams in baseball, basketball, soccer, cross country, indoor and outdoor track, and golf and intercollegiate women's teams in volleyball, basketball, cross country, indoor and outdoor track, soccer, and softball.

In addition to intercollegiate sports, CCRI offers four sports at the club level: men's volleyball, swimming, women's beach volleyball, and eSports. The Community College of Rhode Island has proven to be a stepping stone for many student athletes who have moved on to complete their academic and athletic careers at four-year colleges and universities throughout the nation.

simino at Northwood

MEN'S SOCCER

Head Coach Gabe Toro

401-333-7363 • gtoro@ccri.edu

The CCRI men's soccer team is now an NJCAA Division III program and competes in Region XXI, one of the most competitive regions in the country. Since the program started in 1973, men's soccer has won three NJCAA Region XXI championships and amassed an overall record of 426-297-54. The Knights look to bounce back from a rough 2019 season where they finished 2-12-2. The Knights move to the Division III level opens the door for them to challenge for the Region XXI title. Home games are played at the Flanagan Campus in Lincoln.

WOMEN'S SOCCER

Head Coach Jim McGirr

401-333-7391 • hjmcgirr@ccri.edu

The CCRI women's soccer team is growing rapidly under new head coach Jim McGirr, who enters his fourth season at the helm for the Lady Knights. McGirr led CCRI to its first winning season under his stewardship in 2019 with an impressive 7-4-1 record. The Lady Knights will compete at the Division III level for the first time and look to reach their first DIII National Tournament. The last time the Lady Knights reached the NJCAA National Championship was in 2009 when they were a DI program, finishing that season with a 17-3 record. The team previously won the National Championship in 2002 and finished as runner-up in 2003. Since its first season in 1994, the team has compiled a 307-109-17 record, including 17 Region XXI championships. The CCRI women's soccer program has produced many All-Americans, All-District, and All-Region players. In addition to recognition in their sport, team members also are recognized for their academic success more frequently than any other CCRI athletic team. Home games are played at the Flanagan Campus in Lincoln.

CROSS COUNTRY

Head Coach Gregg Cornell
401-333-7322 • gcornell@ccri.edu

The men's and women's cross-country teams are among CCRI's most consistent, top-achieving athletic programs. The teams will be returning to the Division III level after National Champion and record-setting runner Bobby Allen led the team through the transition to Division I. Allen set a new NJCAA Division III record at the 2011 National Championship at Holyoke Community College, where he finished with a time of 25 minutes, 23.46 seconds. In 2012, Allen finished fifth at the Division I Cross Country Nationals, becoming CCRI's first Division I First Team Cross Country All-American selection. The men's team has won six NJCAA Region XXI titles while several men's and women's runners have taken home NJCAA All-American, All-Region, and All-Northeast honors. CCRI hosted the NJCAA Division III National Cross Country meets in 2004 and 2008 at the Flanagan Campus in Lincoln, where the team competes for home meets.

VOLLEYBALL

Head Coach Patrick Chin
401-333-7318 • pchin1@ccri.edu

Head Coach Pat Chin enters his third year at the helm for CCRI. Chin looks to lead the Lady Knights volleyball team to its first NJCAA DIII Volleyball National Championship Tournament appearance since the move from Division II. In 2016, the team made it to the Nationals for the first time since 2008. Overall, the Knights have won 20 NJCAA Region XXI titles – more than any other CCRI team. The program has an overall record of 742-369 since its inception in 1976. The Lady Knights look to continue improving as they have each year with hopes of winning their second consecutive District Championship. Over the years, many NJCAA All-American, All-Region, and All-District players have honed their skills at CCRI. Opportunities are provided for CCRI players to compete and travel to highly-rated programs such as New Hampshire, Illinois, and Maryland.

MEN'S BASKETBALL

Head Coach Rick Harris

401-825-2120 • rjharris@ccri.edu

The CCRI men's basketball team has a rich tradition of success with 19 Region XXI championships, consistent top 20 national rankings, and an overall record of 1,058-487 since the program's inception in 1965. Coach Rick Harris earned the program's 1,000th victory during the 2019-20 season with a 113-67 win over Ben Franklin Institute of Technology. Many All-American and All-Region players have successfully transferred to NCAA Division I, II, and III institutions. The Knights finished the best season in program history in 2012 with a school-record 31 victories, only five losses, and a second-place finish at the NJCAA Division II Basketball Championship in Danville, IL. The Knights will be moving to Division III in the 2021-22 season, which will allow them to rekindle many of the Region XXI rivalries with all of Region XXI now playing at the DIII level. The team plays its home games in the Vincent A. Cullen Field House at the Knight Campus in Warwick.

WOMEN'S BASKETBALL

Head Coach Doug Haynes

401-825-1131 • rdhaynes@ccri.edu

A tremendous two-sport athlete during his era at CCRI, head coach Doug Haynes is back for his third season with the women's basketball team. In his first season, he led the Lady Knights to 12 wins. Haynes' team closed out that season with wins in five of its final eight games, a significant leap with a new coach at the helm. In 2019-20, CCRI had a tough rebuilding year, but they expect to bounce back in 2021-22. Overall, the Knights are 549-437 since 1977-78 and have won 11 NJCAA Region XXI titles in addition to seven trips to the NJCAA National Tournament, including four Elite Eight appearances. Haynes hopes to move the team closer to its first D-II Tournament appearance since the 2012-13 season. The Knights play their home games at the Vincent A. Cullen Field House at the Knight Campus in Warwick.

INDOOR AND OUTDOOR TRACK & FIELD

Head Coach Gregg Cornell
401-333-7322 • gcornell@ccri.edu

CCRI's men's and women's indoor and outdoor track teams participate in many meets against four-year colleges throughout the northeast. Team members benefit from a high level of competition as they prepare for the NJCAA Northeast District Championship and subsequent nationals. In 2012, middle distance runner Bobby Allen won the 3,000-meter run in a time of 8 minutes, 34.87 seconds, outkicking Division I sophomore Stanley Kebenei from Iowa Central Community College in the last lap. The two runners also competed in the mile run and Allen won in an impressive time of 4:14.93, outpacing Kebenei by 0.7 seconds. In 2013, Allen repeated as National Champion in the 3,000-meter run and the mile, becoming CCRI's first back-to-back National Champion in those events. On the outdoor scene in 2012, Allen won the 1,500-meter run at nationals, setting a national-meet record of 3 minutes, 55.99 seconds. Also in 2012, Head Coach Gregg Cornell received Coach of the Year honors. A year later, Allen's third-place finish in the 1,500-meter run in a CCRI-record time earned him his ninth All-American honor, the most by any CCRI runner. The teams practice at the Knight Campus in Warwick.

CLUB VOLLEYBALL

Head Coach Anne-Marie Balboni
401-333-7315 • ajbalboni@ccri.edu

The CCRI men's club volleyball team has already made a big name for itself in just seven seasons of existence. With no men's volleyball offered as an NJCAA sport, head coach Anne-Marie Balboni, a former CCRI women's volleyball assistant, has made the club volleyball program one of the best in the northeast. This success is highlighted by a 25th-place finish in the Silver Division at the 2016 National Collegiate Volleyball Federation National Championships in Kansas City, MO, by far the Knights' best finish at the National Championships. The Knights compete in the New England Collegiate Volleyball League (NECVL) in Division II and have made five appearances in the NECVL championship. As the club volleyball team grows under the leadership of Balboni, more success is certain to come their way.

BASEBALL

Head Coach Joe Hopkins

401-825-2107 • Jmhopkins2@ccri.edu

Major League Baseball scouts are drawn to Whitey Fell Field at the Knight Campus in Warwick for many reasons: CCRI's baseball team is consistently a nationally-ranked program and NJCAA Division III powerhouse, recruits top-flight talent, has won 11 NJCAA Region XXI titles, and has cultivated future professional players such as Rheel Cormier, Allen Levrault, Brad Hertzler, and Tom Gavitt. The Knights have an overall program record of 1,151-485-3. Under the direction of first-year head coach Joe Hopkins, brother of Knights' all-time coaching wins leader Ken Hopkins, the baseball team looks to continue building upon what it accomplished in 2019 when it made its first appearance in the NJCAA DIII World Series. Led by All-Americans Anthony Ramos and Ben Sears and backed by nine All-Region XXI teammates, the Knights finished the season with an excellent 27-12 record. What made that record more impressive was the fact they started the season on the road in Florida with a 3-7 record before finishing the season with a 24-5 stretch that culminated in a trip to the World Series in Greeneville, TN. The Knights promised to "run it back" in 2020, but COVID-19 had other plans and ended their season after their Spring Training trip to Florida. The Knights play a challenging schedule that includes Fall Ball against top-flight competition and preseason games in Florida and North Carolina.

SOFTBALL

Head Coach Paul Mercier

401-825-1244 • prmercier@ccri.edu

The CCRI women's softball program began in 1980 and has since garnered a 443-390 record and 12 Region XXI championship victories. The Lady Knights always play a very challenging schedule against some of the nation's top talent when they travel to Florida for their Spring Training trip before returning home to play top talent from the northeast. In 2019, the Lady Knights finished 11-11, but did not make the postseason due to a tough NJCAA schedule. The team entered 2020 with a goal of returning to the postseason and earning its first district championship and first trip to the NJCAA Division II Softball National Championships, but the pandemic ended their season followed a strong Spring Training run in which they won games against Midwest powerhouses Itasca CC (MN) and Bay College (MI). Home games are played at Winslow Field in Warwick, just a mile from the CCRI Knight Campus.

CLUB SWIMMING

Head Coach Bob Bouchard
rkbouchard@ccri.edu

The CCRI swimming program returned to the club level in 2019 with a vengeance, ending a 17-year stretch of inactivity with a trip to Harvard University in Boston to compete in the New England Masters Swim Championships. CCRI set 16 new swimming records at the championships, its first meet since 2002. The Knights' male swimmers were led by Josh Hernandez and Ryan Theriault, who each set three individual records and two relay records to account for eight of the new CCRI swimming benchmarks. On the women's side Kelsey Treanor set five individual records while Julianna Wright set three individual records. In 2020, CCRI only competed in one meet, but Treanor once again set three more CCRI records in the 500-, 50-, and 100-yard Freestyles. Third-year Coach Bob Bouchard will look to continue the resurgence of the CCRI swimming program in 2021 with the hopes of setting new records with more competitions and continued development of his talented swimmers.
