

Medical Transcription Concentration (MEDT)

Certificate in Professional Studies (CERT_ADOT)

Knight Campus, Warwick only
Program offered during days only.

The Medical Transcription concentration prepares students for employment in the health field. Students are trained in the use of medical terminology, the transcription of various types of medical reports and the handling of medical office duties. Cooperative work experience in a medical office is a requirement of this program. Job opportunities for graduates are projected to remain constant.

Certificate program credits may be applied toward an [Professional Studies](#) or [General Studies](#) degree.

Note: Many courses require prerequisites, corequisites and/or testing. [See course descriptions for details.](#)
