

*This year the Centers of Academic Excellence in Cybersecurity is hosting the second CAE Virtual Career Fair, sponsored by Cyber Watch West and the National Science Foundation, on October 5, 2018, from 9:00am-1:00pm PT.* The job fair will connect students from CAE designated schools with employers looking to fill internships, part-time positions, and full-time positions. Each student will be required to upload a resume before attending the CAE Virtual Career Fair. Students in Cybersecurity degrees from schools designated as Centers of Academic Excellence in Cyber Defense (CAE-CD, CAE-27, & CAE-R) and Cyber Operation (CAE-CO) are invited to register at NO COST.

### CAE Institution Registration

Looking to fill those empty faculty positions? Your institution can host a booth at the virtual career fair to look for qualified faculty. Whether you are looking for faculty with a Bachelors, Masters, or Doctorate, the CAE Virtual Career Fair will provide you with the one on one experience with qualified candidates. Resumes will be available to institutions hosting a booth **BEFORE** the career fair.

### Resources

The National Initiative for Cybersecurity Education is also providing all of the CAE designated institutions with access to their Resume and Interview tutorials. Since all students/alumni/faculty are required to submit a resume before attending the career fair, you are **HIGHLY** encouraged to take advantage of these **FREE** resources.

You can access the tutorials [here](#).

You also have access to our marketing toolkit to help market the events to your students and alumni.
