GET YOUR BACHELOR'S DEGREE IN CYBERSECURITY AT

JOHNSON & WALES UNIVERSITY

FOLLOW OUR EASY TRANSFER PROCESS

CCRI students who graduate with an associate degree in Cybersecurity, and who have a certain grade point average (GPA), are eligible to enter the Cyber Threat Intelligence & Defense bachelor's degree program at JWU. Plus, depending on their GPA, students might also qualify for scholarship awards.

HERE'S HOW IT WORKS:

CCRI students currently completing an associate degree in Cybersecurity can transfer to JWU easily upon graduation.

JWU will offer scholarships to eligible CCRI students who meet the following GPA requirements:

GPA*	Base Award
3.50-4.00	$12,000
2.75-3.45	$10,000
2.70-2.74	$7,500

(domestic/day students)

START PLANNING EARLY!

If you think you'd like to transfer to JWU, you should contact the CCRI Advising and Counseling Center as soon as possible to make sure you're on the right track for an easy transition.
