

## Respond to a Progress Survey for students in your courses

You will receive an email reminder when there is a new survey for you to complete. Each individual survey presents a student roster for one course section on whom you can raise flags.

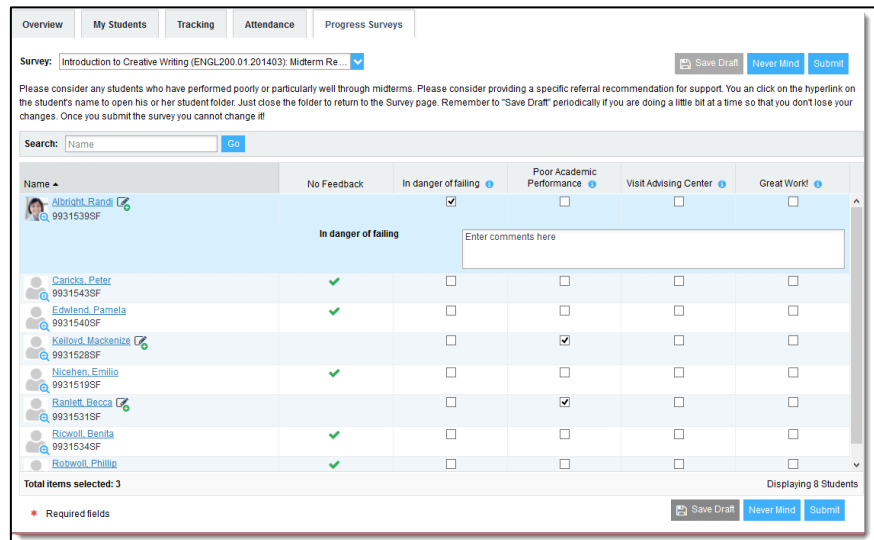

1. Select the progress survey link on your Starfish **Home** page to go the **Progress Surveys** tab. (only visible when you have active surveys).

The selected survey opens, listing your students on the left, and items you may raise across the top.

2. Check the box for each desired item/ student combination.

Click the comments icon (🗨️) to open a text box for your notes.

Click the information icon (i) associated with an item to verify whether or not the student can view the flag and related comments.

3. Click the **Submit** button *only* when you are finished providing feedback. The items you selected will be raised on your students when you submit the survey.

### Important

Once you have submitted the survey you will not have an opportunity to add to or undo the items you raised. Use the **Save Draft** option if you aren't ready to submit your survey.
