

Cisco Research Paper

Each student will research and turn in on the appropriate due date, using a 12-point font double spaced, a research paper. Use as many pages as necessary to cover the topic. Include a reference page listing all sources of material.

The topic of this paper shall be:

Choose a country outside of North America, and one that you are not descended from or have a relationship to in any way. Research the customs that effect business etiquette and relationships. (Example: Bowing in Japan rather than a handshake.)
