Notes: Cells with fewer than 10 students have an asterisk (*) to protect student privacy. Further, the Other/Unknown category includes both American Indian/Alaska Native & Native Hawaiian/Pacific Islander students. Academic years include fall, spring, and summer terms (e.g. fall 2014, spring 2015, and summer 2015 comprise Academic Year 14-15). A single graduate may earn multiple awards in a single academic year. This graduate would be counted once for each award in a given academic year. This graduate is only counted under their top award in the graduates tables (i.e a student who earns a degree and a certificate is counted as earning a degree).
