

## LIBERAL ARTS &gt; CONCENTRATIONS

Students may complete the degree program as described previously or may select an area of study in which to concentrate. Concentrations require the study of five three-credit courses (*15 credit hours*) in the selected discipline. Additional required or recommended courses are selected from among the electives offered as part of the Liberal Arts program. These concentrations emphasize coursework typically required in the freshman and sophomore years of bachelor's degree programs. *Students interested in pursuing a Liberal Arts concentration should contact the appropriate academic department about transfer and career opportunities.*

## ENGLISH (LAEN)

The English concentration prepares a student for advanced study at the baccalaureate level as an English major or as a second major. It provides an exceptional foundation in the development of writing, critical thinking, critical reading, oral communication and literature analysis. This is an excellent program for those pursuing a career in educational institutions, writing, business and industry, film studies, art, communications, law, advertising, sports communications, journalism or library work.

To declare an English concentration, students should contact the English Department at 401-825-2262 or 401-825-2352.
