Advanced Placement - Electrical Apprenticeship

Students who are NEW to CCRI's Electrical Program and/or have completed hours elsewhere may be eligible to register for Advanced Placement:

Before you can register, you will need to submit documentation that shows what you have completed and where you have completed it.

This documentation must be submitted to Donna Costa of CCRI for review via US mail or e-mail to determine the **year** for which you may be eligible to register. After review, you will be notified of which year you are eligible to register for.
