Blackboard Student-CCRI

Blackboard is the learning management system that CCRI uses for online instruction and communication. Students can access course materials their professors make available and may participate in class discussions online. CCRI Information Technology Center for Instruction & Technology provides **Blackboard** support. Visit <https://www.ccri.edu/it/cit/blackboard/student/> for more information.

It is recommended that students use Blackboard Mobile, the "**Blackboard**" app for students. Visit <https://www.ccri.edu/it/cit/blackboard/blackboard-mobile.html> for more information about Blackboard Mobile.

Castle Branch

Your school program or employer requires that you use myCB to complete your background check, immunization records, and other core requirements. Access your myCB requirements by logging in with your username and password.

Student Success Center

The Student Success Center provides in-person and online tutoring and academic coaching to help you achieve success. Do not wait to ask for help! *All services are at no cost to you.* Visit www.ccri.edu/success for more information or watch this [video](#) to learn how to book appointments through Starfish.

Disability Services for Students

The Disability Services for Students (DSS) office is part of the Opportunity and Outreach Programs unit within the Division of Student Affairs. DSS Coordinators and support staff are available on each of CCRI's four main campuses to meet with students and to help provide the necessary and reasonable accommodation that students need to be successful. Visit <https://www.ccri.edu/dss/> for more information.
