

Certified Nursing Assistant (CNA) Registration Process

Students seeking to enroll in the CNA program must first register online to schedule a pretest session. The in-person basic literacy test will determine eligibility for open enrollment registration into the CNA training program. Test seats are limited to 15 students for each session, testing will be administered via a laptop and has a time restriction of 1.5 hours. The pretest cost is \$25 and due at the time of registration. Once registered, you will receive an email confirmation with additional instructions.

Pretesting is held in-person at either the Flanagan (Lincoln) or Liston (Providence) Campus. Day and evening pretesting dates/times are available in the link below. Students can only register for one session and test grade is valid for one calendar year.
